

CITY OF BLUE RIDGE

Monitoring/Reporting Violation
Failure to Submit a Disinfectant Level Quarterly Operating Report (DLQOR)
Monitoring, Routine (DBP), Major/CHLORINE

The CITY OF BLUE RIDGE water system PWS ID 0430002 has violated the monitoring/reporting requirements set by Texas Commission on Environmental Quality (TCEQ) in Title 30, Texas Administrative Code (30 TAC), Section 290, Subchapter F. Public water systems are required to properly disinfect water before distribution, maintain acceptable disinfection residuals within the distribution system, monitor the disinfectant residual at various locations throughout the distribution system, and report the results of that monitoring to the TCEQ on a quarterly basis.

Results of regular monitoring are an indicator of whether or not your drinking water is safe from microbial contamination.

This/These violation(s) occurred in the monitoring period:
First Quarter 2018 (01/01/2018 - 03/31/2018).

We are taking the following actions to address this issues: Re-training of proper reporting procedures to also include checklist to ensure proper reporting.

Please share this information with all people who drink this water, especially those who may not have received this notice directly (i.e., people in apartments, nursing homes, schools, and businesses.) You can do this by posting this notice in a public place (Posted at City Hall's Bulletin Board) or distributing copies by hand or mail. This notice is also posted on the City's website at http://www.blueridgecity.com/documents/156/Chlorine_Reporting_1st_Qtr_2018__corrected_07.25.2018_.pdf.

If you have questions regarding this matter, you may contact City Hall, Edie Sims or Tonya Harrison, at 972-752-5791.
